

BizLink Holding Inc.

April 2020 Monthly Sales Report

Issued by: BizLink Holding Inc. (TWSE code: 3665)

Issued on: May 5th, 2020

BizLink Holding Inc. (TAIEX: 3665), today announced that consolidated net sales for April 2020 totaled US\$59,456 thousand, a decrease of 12.39% YoY*. The YTD consolidated net sales for 2020 reached US\$223,867 thousand, a decrease of 8.75% YoY**.

Monthly Update (MoM):

Governments imposed lockdowns to slowdown COVID-19 infection rates, and greatly disrupted global supply chains as many upstream and downstream companies were unable to ship products to their customers, forcing utilization rates to fall.

- IT&CE: full work resumption of our China facilities, our position as a downstream supplier, and work-from-home related demand drove increases in shipments.
- Electrical Appliance and Motor Vehicle: various lockdowns in the USA, Europe, and in ASEAN nations led to lower shipments as well as utilization rates.
- Medical: shipments rose as industry deemed essential to slowing down COVID-19.
- Industrial: received government approval to gradually resume work led to higher shipments.
- Speedy: company deemed essential, and ongoing strength in their Medical and Semi Capital Equipment customers benefited sales as consolidation of their financials began.

* The consolidated net sales for April 2019 totaled US\$67,864 thousand.

** The YTD consolidated net sales for 2019 totaled US\$245,321 thousand.

-End of Release
